322-1000 Love seven

Love seven love seven Do all good people really go to heaven Is there such thing as hell Is there any way to tell I tell you true i believe it not One you've acted, made your lot Your karma is thus set in stone There is no way to atone Unless through love you make a vow And then you can make it up somehow To everyone you've ever wronged And so i sing this loving song Love seven love seven Everyone can go to heaven For heaven is a state mind All you have to do is be kind
