March of the stories

Today's story has me feeling abused and raw
It's just a story, none of it true
There's not one thing that has happened to justify
There's no reason for me to feel abused by you

Today's story no one appreciates me
It's just a story, i guess i'm feeling down
Another story is you'll judge me ill
When you see me wearing my story's frown

Today's story is i'm the hero
I need to hear you clap and scream
Look at me i'm so very special
This story has more power than it may seem

That's all
That's all it is
That's all
It doesn't take a whiz
Just a little awareness
You see
That all this shit
Is just another
story
