Mark your calendars

Mark your calendars  
Make a note  
Don't forget  
It's time to vote  
Oust this moron  
Send him back  
To kiddie camp  
To have his snack  
Mark my words  
That if you choose  
To not make sure  
Election lose  
This man will turn  
Us upside down  
And in his ego  
We'll all drown  
He cares not  
For friend or foe  
He cares not  
Where we all go  
So mark your calendars  
And vote him out  
He's a bad bad man  
I have no doubt
