Mid life crisis a go-go

Tats, hair, i don't care
Rock star drive so far
28 sounds real great
Mid life crisis a go-go
Mid life crisis a go-go

Funnel beer, have no fear
My new vet, the best yet
Named my bong, wrote my song
Mid life crisis a go-go
Mid life crisis a go-go

Divorce you, don't feel blue
Wanna date, time won't wait
Time for me, to be free
Mid life crisis a go-go
Mid life crisis a go-go

Run away, wanna play
So very tired, so uninspired
So hear me now, i will not bow
Midlife crisis a go-go
Mid life crisis a go-go
Go go go go go go go go
