

980-1000  
Next year

People say  
Same time next year  
Of course  
There is no same time  
There is no same rhyme  
I fear  
For time has a way  
Of changing time  
And years have a way  
Of passing  
In the blink of an eye  
So try  
To play the game  
About same time  
Next year  
I fear  
There is no time  
Only today
