

NO INBETWEEN

it either is or it isn't (G, C)
there's no inbetween (C --->Am, D)
you can't be kinda pregnant
500 pounds and lean
well if you want to be my lover
you know you simply can't be mean
be nice to me or take a hike
there's no inbetween

take your time (Em)
choose with care (Em, D)
be my sweetheart
a life to share
but know this
my boundaries are clear
hard and fast
i hope you hear

it either is or it isn't
there's no arguing this one
i am painfully imperfect
can come easily undone
if you wanna be my baby
i know we'll have such fun
accept all of me, the good and bad
there's no arguing this one
