

969-1000
No ma'am

John mccain died yesterday
A man with whom i disagreed
A man who believed in strength through might
A solid fixture on the right
John mccain died yesterday
And here's something i need to say
Unlike his trump supporting fellows
He refused to lie
When faced with accusations of his foe
The truth about them he did know
And instead of baiting them with hate
He engaged in an honest debate
And that is why i will miss him
He put the truth over party and power
And said
No ma'am
No ma'am
I may disagree with my opponents stance
On issues ranging far and wide
But i refuse to sit here whilst you deride
A good man
A decent man
No ma'am
I will not miss mccain's beliefs
I will not miss his hawkish views
But when in the news
Today
Do we here of a man
Who puts truth over party and power
No ma'am
Simple words
No ma'am
No ma'am
