

401-1000  
Not the same

It's not the same this life i'm living  
The winter winds aren't as forgiving  
The cold it cuts me like a blade  
And dreams i once had start to fade

It's not the same, my heart's not in it  
There is no way for me to spin it  
The things i care about have changed  
From the past i am estranged

It's not the same  
But there's no shame  
Perhaps in time  
I'll let it shine  
I'll let it shine  
But for now  
It's not the same

It's not the same, it feels so crazy  
My memory is blurred and hazy  
And i'm not sure from whence i came  
All i know's it's not the same
