Oh the drama

Oh the drama  
It works so well  
Better rage  
Than live in hell  
You know gossip  
Is best to tell  
Save for it leaves you  
An empty shell

Oh the drama  
Mean is the new nice  
It's worse than drinking  
This vengeful vice  
The innocent  
Will pay the price  
When drama addicts  
Give them advice

Oh the drama  
Righteous rage  
C'mon people  
Act your age  
Non attachment  
Oh so sage  
Drama addicts  
Live in a cage

Oh the drama  
Count me out  
Cannot watch  
You rant and pout  
Of this here  
I have no doubt  
Drama addicts  
I am out
