Ok so oh boy

Ok so oh boy
Where do you live
I can't remember your name
I hope you can forgive
I know we spent some time together
Did we have any fun
Ok so oh boy
Is it time for me to run?

Ok so oh boy
You're coming by tonight
I'm feeling pretty weak of knee
I hope that you don't bite
Everytime i get this feeling
I look into the sun
Ok so oh boy
Is it time for me to run

Ok so oh boy
This could be a big mistake
What if you refuse to leave
Like the dude down by the lake
I heard he;s quite a scary guy
I heard he's got a gun
Ok so oh boy
I think its time for me to run

Ok ok ok ok oh boy
