Or else

Or else  
Or else what  
Or else i'll tell  
Or else i'll curse you to hell  
To hell  
Yes, and back

Or else  
Or else what  
Or else i'll leave  
And then you'll grieve  
You'll grieve  
You'd best believe

Or else  
Or else what  
Or else i'll die  
And you'll know why  
Why?  
Big boys don't cry

Or else  
Or else what  
Or else i'll stay  
Not go away  
And in you ear everyday  
Everyday  
I will lie

Or else the empty threat  
I have one that's better yet  
Here's the threat whose powers great  
I'll shut my mouth and sit and wait
