Pat me on the back again

Pat me on the back
Tell me how impressed you are with me
Laud me laud me
Say just how amazingly
I arrive
My brilliance is on stage for all to see
Pat me on the back
It's the only way my soul somehow feels free

Give me two thumbs up
Like me love me click over and again
Call me up
And tell me that you want to see me when
I'm in town
Because you think i'm different than other men
Pat me on the back
And confess your admiration with your pen

I am donald trump
Not really but i live for accolades
Just like him
It's just i act out liberal charades
Truth be known
I'm not so into military parades
But i'd love to sit
Upon the throne with fame and fortune made

So pat me on the back
Adore me adore me
Pat me on the back
Adore me adore me
