Powerless disgust

Trump, cruz and a million fans
Book burning, muslim bans
Climate science, just a hoax
Thousands perish, howie jokes
Make your money, Happy bought
Hide your riches, Never caught
Purchase favors, conscience clean
Another thief, never seen

I feel disgust
Powerless disgust
I feel mistrust
Powerless mistrust
It matters not
Anything I've thought
Just keep on cracking jokes
Nothing to see here folks

Move along
Move along
Noxthing to see here folks
