Quite different

I'm quite different
Than you think
You see me
So i dont drink
You think i'm
In touch with heart
Ne'er my mind
And soul apart
But truth be known
I hide myself
And shallow be
I pray for wealth
The narrative
I try to sell
I hope convince
You judge me well
But deepest down
I am for me
And t'would with money
I'd run free
A vagabond
Who loves himself
In conquest feeling
Some kind of health
And i'm quite different
Than the man you know
For who i am
I will not show
