Radiance

Radiance  
Is it what you see  
Is it what you feel  
Is it an illusion or is it real

Radiance  
Is it the sun  
Is it the moon  
Is it the silence of an empty room

Radiance  
Can you hold it in your hand  
Radiance  
Is it something we can demand

Or instead  
Does it dwell inside her soul  
In her heart  
One piece love  
One piece art
