

848-1000
Revealed

I am revealed to me
Through all the ways i see
Through all the shame i feel
Through what i think is real
I am amazed by me
That i am so afraid
That i want to control what is said
About me
By you
Why do you think
This is so
Why do you think
I always go
Away
For when i am alone
Nothing is revealed
That means a thing
