Ruby slipper tattoo

I think i'll get  
A ruby slipper tattoo  
On my left arm  
And each day  
As o'er the country i roam  
I'll be reminded that there is  
No place like home  
Where love is abundant  
And without condition  
Where family is waiting  
And all of us stating  
Over and over  
Our deep admiration  
For one another  
Our desire  
That each of us will find a muse  
And loving embraces for lives that we choose  
And the songs that we sing  
May vary in tone  
But the constant refrain is  
There's no place like home  
And so  
I think i'll get  
A ruby slipper tattoo  
On my left arm  
To remind me  
How much i love you all  
And even when i can only call  
For i am far away  
I shall say  
Again  
There's no place like home  
There's no place like home
