Saved not saved

I'm saved  
And not saved  
I see the way  
Clear  
I change direction  
Fear  
The sun is bright  
Warm on my face  
I see the path  
Shine  
I feel the guilt  
Mine  
And so  
I'm saved  
And not saved  
I know the answer  
But the question not  
The road is open  
The passion hot  
And with love  
Paved  
And so  
I'm saved  
And not saved  
Choose choose  
I cannot  
I cannot
