Shame is fleeting

Shame is fleeting
But money is forever
Get over it
Get over it
Money is forever

Shame is fleeting
So grab everything you can
Get over it
Get over it
Grab everything you can

Shame is fleeting
It's a stupid fucking feeling
Get over it
Get over it
It's just a stupid feeling

Shame is fleeting
Yet it's power is amazing
I will never
Get over it
So much power
Power to destroy
Power to destroy
everything
