

SHE HAD A BOYFRIEND

she had a boyfriend, i really didn't mind (G, D)
i still wondered if i had a chance, i pretended to be so kind (Am, D)
she had a boyfriend, i decided to take a chance
one more shot of cuervo gold, and i asked that girl to dance

the truth is (Em)
i had never done this before (Am)
my overblown morality (Em)
would never let me score (Am)
but sometimes one's desire (C)
to the darkside moves their soul (G, C)
and having sex becomes (G)
their single minded overarching goal (D)

she had a boyfriend, he was out on a dare
he and i were in fact good friends, i was too horny to care
she had a boyfriend, not serious she said
he was recently divorced, she was never wed

she had a boyfriend, he came home that night
i was making love to her, what an awful fight
she had a boyfriend, they been married now a year
and i'm left alone again with porn and some michelob beer
