

586-1000

So far

I've come  
So far  
But i have  
Far to go  
Remember this  
Is not a show  
And i still have  
Far to go

Ive come  
So far  
But that doesn't  
Mean a lot  
For in the end  
I'm All i've got

I've come  
So far  
I know less and less  
And i confess  
That this is why  
I've come so far

Ive come  
So far  
disdain is gone  
No one is wrong  
This is but one song  
One song  
And i tell you  
I've come  
So far
