So perplexed

Lemmings, sheep
So perplexed
Sabbath keep
I am vexed
Neutron bomb
High rise thrive
Kill em all
Stay alive

Working class
Vote for Trump
Feudal lord
Lying stump
Join the mob
Masochist
Lose your job
Cursed kissed

Satan's lair
Sinner's fate
Lest you burn
Don't masturbate
Fear is good
So perplexed
Write this song
Become hexed

Carlin said
It best of all
Damnation waits
For those who fall
Roast in hades
Wrath from above
Ironica then
That god is love
