

79-1000
so there it is

I worry what you'll think when you find out my whole story
When you know about my secrets, that feel so dark i cannot speak
I worry that you'll leave me and tell all your friends and family
The rug pulled out from under me leaves me feeling weak

Despite all of these worries i find it worse to remain hidden
Lurking in the shadows as if i've done something so bad
Even though i'm panicked that my truths will send you packing
I'd rather exist honestly than always feels so bad

So there it is
I'm an open book
No need to read between the lines
Take a closer look
So there it is
I refuse to hide
I guess i have to risk the end
The truth will be my guide
So there it is
It doesn't mean i'm thrilled
I remain a lonely heart
With terror i am filled
But yet there it is
I will not live like this
Ask and i will tell you all
So there it is
