Sounding kosher

Sounding kosher
Keep it clean
Don't seem angry
Don't sound mean
Your facade
Will make you rich
Sounding kosher
Hide the bitch

Sounding kosher
Leaders strive
While in secret
They connive
Polished speeches
Well quaffed hair
Doesn't matter
Life ain't fair

Sounding kosher
Normal's right
Too eccentric
All take flight
No job again
Wondering why
You couldn't keep quiet
The weird ones cry

Sounding kosher
That's the creed
Don't act contrary
No selfish deed
Steely silence
Nothing gained
Truth means nothing
All real disdained
