Subdued

Subdued  
Goddamned right  
I have fought the good fight  
And try as i might  
There's no way to win  
Someday i may  
Be stinking of gin  
But not tonight  
So instead i'm just  
Subdued

Sudued  
Shit ya  
So much blah  
The last thing i wanna do  
Is to throw back a few  
Someday perhaps  
Tossing bottle caps  
Into a half full glass  
But not today  
So instead i'll stay  
Subdued

Subdued  
You bet your ass  
I'll keep that glass  
Empty for now  
I have things to do  
At least a few  
I guess maybe  
I'll go fucking crazy  
But not now  
I wouldn't know how  
So i guess  
I'll just remain  
subdued
