Sucks to be a fly

Think about it
Living on a pile of shit
Existential miseries
A winged version of disease
Must suck
To be a fly
Why
Because you are hated
Fated
To be crushed under the weight of a heavy shoe
Desiccated on some fly paper goo
Gotta suck
Super duper suck
To be a fly
I think i'll sing this song in G
I'll make it sound so light and free
And then a minor chord to end
For no one can ever pretend
To love you
Fly
Fly
Sucks to be
A Fly
