Sweet sweet

Sweet sweet  
The chocolate tastes  
Nary a drop  
Goes to waste  
Someone said  
My health's at stake  
Sweet sweet  
The chocolate tastes

Sweet sweet  
The setting sun  
Signals more  
Summer fun  
Pastel reds  
And warmth abounds  
Sweet sweet  
The summer sounds

Sweet sweet  
A life of smiles  
Hard to find  
when many miles  
We travel just  
To make ends meet  
but moments good  
And oh so sweet

Sweet sweet
