

454-1000
Take me instead

I don't know how else to play it
So i'm just going to come out and say it

It's just not right for her to be dead
Please oh god take me instead
Take me instead

I don't want her to be gone
This is just so very wrong
So wrong

I just want to end this night
To wake at dawn and to see the light
See the light

And in the gloaming all is red
And thousands have for these ones bled
And it's not right that she is dead
So please dear god take me instead
