

409-1000
That's not what i want

If you want to come over i'll put on some tea
The house is so quiet, just be you and me
I say I'm not looking for anything more than a friend
I say I'm not looking for that helping hand

Let's watch a movie, an old film noir
Or sit and eat pizza on top of my car
I can't wait to see you, to hold you, to kiss
I think i am craving some kind of bliss

But it changes and shifts
It blows and it drifts
I cannot decide
Nor ambivalence hide

And if you push i'll say...

That's not what i want
At least not today
I think i want love
And you'll me hear me say
I love you i love you
It is how i feel
But sometimes i wonder
If that love is real

That's not what i want
But what is i don't know
I want you to stay
I don't mind when you go
I want you to adore me
And to leave me alone
To care for me deeply
But not call on the phone
