That's ok

You're not so sure
That's ok
You met another
Guy today
Convincing you
Is not my way
If you choose him
That's ok

You made an error
That's ok
My goal is not
To make you pay
Though i may seem
A bit dismayed
It's just a feeling
And that's ok

You can call me
That's ok
Even now
We're old and gray
My love for you
Will ever stay
Though long apart
And that's ok

That's ok and totally fine
Being human is no crime
There are no rules, there is no line
It's all ok, true love of mine
