

405-1000
405

Don't drive on the 405
Take the back roads instead
In fact don't drive in old LA
Perhaps best to stay in bed

Bumper to bumper on The 405
Talk about redundant
Rush hour from 9-5
The fumes they are so pungent

Here's another bit of wisdom
Don't drive on the 101
Unless you thing a little road rage
Is actually a lot of fun

And for the love of all that's holy
Stay off of the 10
It doesn't matter how
It surely doesn't matter when

Sell your car
Take the train
Board a bus
Go insane
All your money
Down the drain
On the 405
The 405
