The american construct

Freedom
The american way
Restrict em
They must obey
My way or the highway
We must convey
We're terrified
But we won't say

Freedom
Not really though
Muslim?
You dare not go
Jewish?
Well ho ho ho
Fare thee well
Twas good to know

Freedom
Why are you scared
Meet me
You haven't dared
Hold me
You haven't cared
Touch me
All you've done is stared

Freedom
American style
It can only
Last a short while
Eventually
We'll turn the dial
The hardest part
Is the final mile
