

THE LURE OF THE DISTURBING

from cnn, to cbs (C, G)
the networks with the most success (Dm, G)
show dismembered body parts
corpses piled high on carts
tattooed murderers in our jail (Am, G)
with shanks their neighbors to impale
thats what we like to see
on our living room tv

and when steve irwin bought it (F, C)
on the reef (G)
ya the world was shocked
in disbelief
but we still wanna see
despite all of our cries
the videotape
of his demise

we listen like a slinking ghoul
to the news from Baghdad and Kabul
well the death and carnage draws us in
the lure of the disturbing wins
