

19-1000
in the nicest way

i told him in the nicest way
i strongly disagreed
his ignorance demonstrable
by his xenophobic screed
i know that i'm not perfect
that my views are sometimes skewed
this guy is quite a dumbass
with contempt he should be viewed

i told him in the nicest way
he smelled like death'bs decay
did he use dogshit shampoo
brush his teeth with hay?
i know that i'm not perfect
but the nose it doesn't lie
this man's stinks beyond the pale
no way he can deny

i told him in the nicest way
he didn't have a clue
his disdain for woody allen
is because woody's a jew
i know that i'm not perfect
but this assclown has some gaul
so blind he can't recognize
the brilliant annie hall

i told him in the nicest way
to take a fucking hike
if i saw him peddling on the street
i'd plow into his bike
i know that i'm not perfect
but this one's quite malignant
and when i called him mr. cancer
he seemed oh so indignant

i am so civil
i am so kind
i coat with sugar
what's on my mind
i'll smile sweetly
avert my eyes
my obsequious way
the truth belies
