The russians are coming

The russians are coming  
It's a movie on demand  
Have you seen it before  
Have you listened to the score  
It's a move you say?  
Yes on demand  
On demand  
Have you seen it before  
Where, on demand  
Did you ask me something  
Did you say the russians are coming  
Do you mean putin and his hackers  
Are you nuts, are you crackers?  
No not putin, alan arkin  
He's a funny joe  
He was in the inlaws with columbo  
On demand you say?  
No, in a film  
About russia?
