The stage a perfect fit

The stage fits me well
I crave attention i can tell you
I'm not proud that its my way
Perhaps someday
I won't
I'll go about each day
Quiet
Alone
Contemplative
But for now
The stage is a perfect fit
Look at me but dont get too close
Listen to me i'm so verbose
Love me
Adore me
See me
Please
See me
And don't
