Then i reasoned

Then i reasoned
I used my brain
No reaction
Sit with pain
I'm not angry
I'm not mad
I just feel
So very sad

Then i reasoned
It wasn't them
They cared not
About other men
I'm not angry
I'm not mad
Rage has become
Quite the fad

Then i reasoned
While they spewed
To the tv
They were glued
I'm not angry
I'm not mad
Afraid and naked
Now that is bad

Then i reasoned
While they react
Reality
A windshield cracked
I'm not angry
I'm not mad
This is the best life
I've ever had
