This consequence

This consequence
The one i cannot say
The one that will not go away
Is not my fault
I've done no wrong
I'm only human can't you see
I'm built of guilt and empathy
But i want to just be
Away
Alone
No one place to call my home
And if i go
This consequence is the one i cannot speak
The one that will haunt me in the night
The one that will keep me out of sight
No crime
Just
gone
