

THIS IS THE LAST TIME

how many times can we play this game (Dm, F, C, G)
a dance we know so well (Dm, F, C)
a new beginning we proclaim (Dm, F, C, G)
echoes of the wedding bell (Dm, F, C)
how many times can we walk this path (Dm, F, C, G)
tired and so worn (Dm, F, C)
and here again I'm on the couch (Dm, F, C, G)
alone together mourn (Dm, F, E, A)

understanding when the time
has come to say goodbye
desperation fuels a fire
to honesty defy
never sunny, always gray
resisting what is true
terrified to fly above the clouds
where loving people do

this is the last time (Dm, Bflat)
this is the final rhyme (F, A)
no more songs to play (Dm, Bflat)
no hope from faraway (F)
this is the last time
this is the final rhyme
please hear what i say
don't tarry w/yesterday

we hold onto to the story
fearful to let go
remaining two of two
despite hating us so
we make love to somehow feel
that we remains our creed
we sleep in separate rooms
alone again we bleed
