Those in charge

Those in charge
Rule from fear
Control they will
Control they must
Foreign is
Ideas like trust
Love
Love above all
Alien to those in charge
Those who have no soul to speak
Those who believe people weak
Who
Love
Push, coerce
It's time for still
Another verse
About
Those in charge
Who hate themselves
Above all
Above all
Those in charge
Must someday fall
For they cannot
love
