375-1000 To get to me

I think You are The most beautiful woman in the world And you get to me You get to me

I think
You have
A heart like the universe unfurled
And you get to me
You get to me

I know
At times
Things seem like they're in a whirl
And yet you see
You get to me

I want you
To be my girl
Please get to me
And let me get to you

I see
Your smile
I hear
Your laugh
That's how
You get to me
You get to me
