To have peace

To have peace  
Peace of what  
Mind heart soul  
To be at peace  
To roll  
To have peace  
Peace how  
How about  
No more war  
How about  
No more poor  
How about  
Everyone one for  
Everyone else  
To have peace  
Peace when  
In our time  
For all time  
No need for anyone to pen one more rhyme about a time  
In which peace  
Did not reign  
Was not preeminent  
Peace  
To have peace  
How much should it cost  
Nothing  
How much am i willing to pay  
Everything  
To have peace
