Too many tomorrows

Too many tomorrows  
Means not enough todays  
Too many moments waiting  
Only the now delays  
Too many tomorrows  
Until they all are gone  
Today i'm gonna stare straight into  
The blazing autumn dawn

Wake up!  
Wake up  
Tomorrow is a dream  
Wake up  
Wake up  
Tomorrow isn't real  
Wake up
