

358-1000

Too much and not enough

Too much beans and rice, not enough yogurt

Too much sriracha, not enough banana

Too many people waiting in a line

None of them there to drink or eat or dine

No time to wait

I cannot be late

Run for the hills

Cannot wait for pills

Drive to the sage

Now here comes the rage

Waving at the cars

Waiting for the stars

Relief

Freedom

Be careful[next time
