I'm trying to do better

I'm trying to do better  
To keep an open heart  
Loving all the trump supporters  
Is quite a start  
It's kinda tough because they hate me  
For my lefty view  
I'm pretty sure many  
Think i such 'cause i'm a jew

But i'm trying to do better  
And not lump them into one  
I know that many trump people  
Can be a lot of fun  
The thing that makes me nervous  
Is when they react to all his lies  
By hating me and others  
Even worse they do despise

But i'm trying to do better  
And to love them nonetheless  
Sometimes it's a struggle  
I'm not great at it i confess  
But i will keep on trying  
As in the end we must  
Find a way to coexist  
Find some way to trust

I'm trying to do better  
I'm trying to love you all
