Unctuous smiles

Unctuous smiles
The kind that makes your skin crawl
That kind that make a baby ball
You see the writing on the wall

Those unctuous smiles
The kind displayed by Teddy Cruz
In secret he will abuse
Anyone to just amuse

Those unctuous smiles
The kind offered by benny hinn
And that pious shit eating grin
I'd die were i his next of kin

Those unctuous smiles
Like every wife at the pta
I wish they would all go away
In fact for that i'd even pray

Yes those unctuous smiles
On faces just so insincere
Pretending is their best career
A majority of them i fear

Have those unctuous smiles
