Uninterested

If i were more uninterested  
I'd be fast asleep  
I'll take a johnny red  
Everything else you can keep  
Keep your excitement and sense awe  
I find your wonder a big fat yawn  
Keep your enthusiasm and faux zeal  
You have no idea how far gone  
I can be  
Off i9n the stratosphere  
Imagining nothing  
But sitting on porches  
While torches glowing  
In the night  
Illuminate the quiet street below  
So go  
And please leave me be  
For you see  
I am entirely  
Uninterested  
In you
