Welcome back

Welcome back
You were missed
I know you felt
Kinda pissed
You let us know
We get the jist
So welcome back

Welcome back
We kept your seat
Without you we
Didn't feel complete
I'm so glad
We did meet
So welcome back

Welcome back
The recount's done
I'm happy to see
That you've won
I thought our nation
Had come undone
So welcome back

Welcome back
Welcome back
