Well my dear

Well my dear  
You were right  
I surrender  
I won't fight  
I won't stay  
Another night  
My dear

Well my dear  
We are through  
Cannot say  
That I'm not blue  
Not sure if  
You have a clue  
My dear

Well my dear  
Raise a glass  
I know this may  
Sound quite crass  
But it's clear you think  
That I'm an ass  
My dear

Well my dear  
Please fear not  
No need to hide  
You can't be caught  
I guess it's just  
Not what I thought
