

187-1000
What we strive for

What we strive for
Cannot be achieved
We strive to never
Be deceived
And desperate always
To be believed
To be believed

What we strive for
What we want
The things we lack
Will always haunt
Like bullies then
Our dreams they taunt
Our dreams they taunt

What we strive for
Our narrative
Attaining all
Still cannot give
And when it's over
Have we lived
Have we lived
